

### **Web Developer - Fulltime**

RealAge, Inc. ([www.realage.com](http://www.realage.com)) a consumer health media company located in the Sorrento Valley Area is seeking a full-time, permanent, web developer for the Information Technology department. The qualified candidate will have 2-3 years progressive programming experience with 1-2 years in ASP.NET and Visual Studio.

Additional requirements include strong HTML skills and knowledge of database programming (ADO.NET.) An understanding of Object Oriented programming concepts and JavaScript skills are a plus. The candidate must be detailed oriented, have excellent English skills, and be able to work in a team environment. Qualified candidates will be asked to complete a programming proficiency test.

Must be eligible to work in the U.S. for any company without sponsorship. We are proud to offer an excellent benefits package to our regular full-time employees. This position is immediately available. Relocation and telecommuting are not available.

**Please include a brief cover letter with your resume that specifically addresses any salary expectations to [careers@realage.com](mailto:careers@realage.com) no later than July 1, 2005. Resumes received after that time will not be reviewed. No phone calls please.**
